COMPANY PROFILE

Lion Eye Construction is a minority-owned, licensed, insured, and bonded construction company with a KB-1 license. Established for 10 years in the private sector, our team brings over 40 years of combined construction experience to every project. We are a solution-based firm dedicated to providing efficient and top-quality services in government contracting. Our comprehensive approach to managing and executing construction projects has garnered us a reputation for excellence and reliability.

CORE COMPETENCIES

- **Efficient Project Execution:** Utilizing innovative project management techniques, we ensure that our projects are completed on time and within budget.
- **Quality Assurance:** Our team is committed to maintaining the highest quality standards, resulting in durable, safe, and aesthetically appealing structures.
- **Safety and Compliance:** We prioritize safety and adhere to all industry regulations and guidelines to ensure a secure working environment for our team and clients.
- **Collaboration and Communication:** We foster open communication with our clients, suppliers, and subcontractors to guarantee a seamless project experience.
- **Sustainable Solutions:** Our commitment to environmental responsibility drives us to implement sustainable practices and materials throughout our projects.

DIFFERENTIATORS

As a minority-owned small business, Lion Eye Construction provides exceptional construction services while emphasizing customer satisfaction, efficiency, and sustainability. Our extensive experience, combined with our commitment to quality, positions us as the ideal partner for government contracting projects. We look forward to building a long-lasting relationship with your organization.
